

Good news—the DSM-5 Task Force has extended the timeline for the DSM Field Trials in Routine Clinical Practice Settings until February 29, 2012. There is still time to volunteer and complete field trials training by December 31st. If you would like take part in the field trials, please click here: <http://dsm5.fieldtrials-volunteer.sgizmo.com/s3/>

All field trial participants who complete the study will receive: 1) up to 15 AMA PRA Category 1 CME Credits <sup>™</sup>; 2) a complimentary copy of DSM-5; and 3) acknowledgment in the published DSM-5.
